Dear Mr. Miller:

Mr. Newell made me very happy by telling me that you had authorized him to present your name as an Associate at the next meeting of the Council. He also told me of your plan to change your residence, and this caused me to wonder whether you might care to hear of the people with whom I stayed when I lived in New York and who would, I think, be glad to give you the same pleasant accommodations which I received from them. I had a room on the third floor, rear, which was quiet and clean. It looked out over a small yard; had a single window on two of the sides of the room, and this gave a circulation of air which made living tolerable even in summer. The house is a three-story frame, owned by three maiden ladies, who do not receive any who apply but require introductions. Arrangements can be made with them so that breakfast will be included in any rate agreed upon, and if you have nothing in proppect I believe the proximity to our Museum might make it worth your whilecconsidering this place.

The house is just off Broadway on 159th Street, and therefore only two blocks from the subway. It is but a short distance from Riverside Drive, and I am confident that you would be comfortable or I should not manture to suggest your considering it.

Very truly yours,

Secretary

The American Numismatic Society,
Broadway, between 155th & 156th Sts.,
New York City.

Dear Mr. Noe,

Very many thanks for your letter of February 2, 1928, and for the trouble which you have taken in the matter.

However, it is not my plan to take a furnished room but I intend renting a small unfurnished apartment so that when my wife returns from Europe, after placing the children in school and enjoying a well earned holiday, she will have a home all ready for her.

As I shall be alone for some months this year I expect to see you quite often on Saturday afternoons at the Society.

With renewed thanks and kindest regards,

Yours sincerely,

Thomas S. Miller

Sometime ago you were good enough to notify me of my election to membership to the A. N. S. and this is the first time I have had an opportunity of acknowledging your communication.

If you will be good enough to send me along a bill for the dues I shall have pleasure in remitting you therefor.

With kind regards,
